**Subject:** August 30th WCU Postgame Fireworks

Kevin,

Please place the August 30<sup>th</sup> postgame fireworks display at WCU on the commissioners agenda for approval. Our office will not have to inspect this one because it is on state property and they have their own fire inspection procedures. It does however require commissioner approval because it is within the county.

Please let me know when it is on the agenda and I will be present if there are any questions.

Thanks,

Tony
