How partial disability works

If you are able to return to work part time after at least 14 days of being paid for a total disability, you may be able to still receive 50% of your total disability benefit.

Waiver of premium

We will waive your premium payments after 90 consecutive days of a covered disability.

Geographical limitations

If you are disabled while outside of the United States, Canada or Mexico, you may receive benefits for up to 60 days before you have to return to the U.S. in order to continue receiving benefits.

Issue age

Coverage is available from ages 17 to 74.

Keep your coverage

You can keep your coverage to age 75 at no additional cost, even if you change jobs, as long as you pay your premiums when they are due.

For more information, talk with your benefits counselor.

EXCLUSIONS AND LIMITATIONS

We will not pay benefits for losses that are caused by, contributed to by or occur as the result of: cosmetic surgery, felonies or illegal occupations, flying, hazardous avocations, intoxicants and narcotics, psychiatric or psychological conditions, racing, semi-professional or professional sports, substance abuse, suicide or injuries which you intentionally do to yourself, war or armed conflict. We will not pay for benefits due to being pregnant before the policy coverage effective date shown in the policy schedule, if medical advice, diagnosis, care or treatment was received or recommended within the one-year period immediately preceding the policy coverage effective date shown on the policy schedule. We will not pay for loss when the disability is a pre-existing condition as described in the policy.

Pre-existing condition means those conditions for which medical advice, diagnosis, care, or treatment was received or recommended with the one year period immediately preceding the Policy Coverage Effective Date shown on the Policy Schedule. If you are age 65 or older when this policy is issued, pre-existing conditions will include only conditions specifically eliminated by rider.

After this policy has been in force for 12 months from the policy coverage effective date shown on the policy schedule, we will pay benefits for any pre-existing condition not excluded by name or specific description if the covered disability began at least 12 months after the policy coverage effective date and the elimination period has been satisfied.

Optional riders

At an additional cost, you can purchase the following riders for even more financial protection.

Spouse term life rider

Your spouse may receive a maximum death benefit of \$50,000; 10-year and 20-year spouse term riders are available.

Children's term life rider

You can purchase up to \$20,000 in term life coverage for all of your eligible dependent children and pay one premium. The children's term life rider may be added to either your policy or your spouse's policy – not both.

Accidental death benefit rider

The beneficiary may receive an additional benefit if the covered person dies as a result of an accident before age 70. The benefit doubles if the accidental bodily injury occurs while riding as a fare-paying passenger using public transportation, such as ride-sharing services. An additional 25% will be payable if the injury is sustained while driving or riding in a private passenger vehicle and wearing a seatbelt.

Chronic care accelerated death benefit rider

If a licensed health care practitioner certifies that you have a chronic illness, you may receive an advance on all or a portion of the death benefit, available in a one-time lump sum or monthly payments.¹ A chronic illness means you require substantial supervision due to a severe cognitive impairment or you may be unable to perform at least two of the six Activities of Daily Living.² Premiums are waived during the benefit period.

Critical illness accelerated death benefit rider

If you suffer a heart attack (myocardial infarction), stroke or end-stage renal (kidney) failure, a \$5,000 benefit is payable.¹ A subsequent diagnosis benefit is included.

Waiver of premium benefit rider

Premiums are waived (for the policy and riders) if you become totally disabled before the policy anniversary following your 65th birthday and you satisfy the six-month elimination period.³

¹ Any payout would reduce the death benefit. Benefits may be taxable as income. Individuals should consult with their legal or tax counsel when deciding to apply for accelerated benefits.

² Activities of daily living are bathing, continence, dressing, eating, toileting and transferring.

³ You must resume premium payments once you are no longer disabled.

EXCLUSIONS AND LIMITATIONS

If the insured dies by suicide, whether sane or insane, within two years (one year in ND) from the coverage effective date or the date of reinstatement, we will not pay the death benefit. We will terminate this policy and return the premiums paid, without interest. Product may vary by state. For cost and complete details of the coverage, call or write your Colonial Life benefits counselor or the company.

ADDITIONAL COVERAGE OPTIONS (CONTINUED)

Accidental death benefit rider

The beneficiary may receive an additional benefit if the covered person dies as a result of an accident before age 70. The benefit doubles if the accidental bodily injury occurs while riding as a fare-paying passenger using public transportation, such as ride-sharing services. An additional 25% will be payable if the injury is sustained while driving or riding in a private passenger vehicle and wearing a seatbelt.

Chronic care accelerated death benefit rider

If a licensed health care practitioner certifies that you have a chronic illness, you may receive an advance on all or a portion of the death benefit, available in a one-time lump sum or monthly payments.¹ A chronic illness means you require substantial supervision due to a severe cognitive impairment or you may be unable to perform at least two of the six Activities of Daily Living (bathing, continence, dressing, eating, toileting and transferring). Premiums are waived during the benefit period.

Critical illness accelerated death benefit rider

If you suffer a heart attack (myocardial infarction), stroke or end-stage renal (kidney) failure, a \$5,000 benefit is payable.¹ A subsequent diagnosis benefit is included.

Guaranteed purchase option rider

This rider allows you to purchase additional whole life coverage – without having to answer health questions – at three different points in the future. The rider may only be added if you are age 50 or younger when you purchase the policy. You may purchase up to your initial face amount, not to exceed a total combined maximum of \$100,000 for all options.

Waiver of premium benefit rider

Premiums are waived (for the policy and riders) if you become totally disabled before the policy anniversary following your 65th birthday and you satisfy the six-month elimination period. Once you are no longer disabled, premium payments will resume.

1. Any payout would reduce the death benefit. Benefits may be taxable as income. Individuals should consult with their legal or tax counsel when deciding to apply for accelerated benefits.
2. Accessing the accumulated cash value reduces the death benefit by the amount accessed, unless the loan is repaid. Cash value will be reduced by any outstanding loans against the policy.

EXCLUSIONS AND LIMITATIONS: If the insured dies by suicide, whether sane or insane, within two years (one year in ND) from the coverage effective date or the date of reinstatement, we will not pay the death benefit. We will terminate this policy and return the premiums paid without interest, minus any loans and loan interest to you.
