Ms. Baker,

Included with this letter of explanation is the Offer to Purchase for surplus property owned by Jackson County, NC. You will also find a certified check for the bid amount. I was unsure if all pages of the Offer to Purchase needed to be included. The signature pages at the end seemed unnecessary. Please let me know if additional information is required. I understand the property is offered "as is" and "where is". The specific property is described as Lot 43 Black Rock Rd, PIN# 7655-61-9670. I am unable to attend the Commissioner's meeting due to the constraints of both time and distance. However, I do want to explain my bid offer of \$4,000.00.

First, when the county took possession of these properties in 2013, they paid a total of \$10,022.00 for both properties, lots 40 & 43, (Deed Book 2017, Page 225). I am only interested in one of those two lots, Lot 43.

Next, the two lots have a combined land value of \$76,630.00. This value is based on the 2019 Jackson County tax records. The land value for Lot 43 is \$30,800, which is 40% of the total land value. If we apply that back to the original foreclosure amount, 40% of \$10,022 is approximately \$4000.00.

Lastly, you will see from the GIS contour photos that lot 43 is incredibly steep and would require significant grading to create a pad large enough for a house, septic drain field, and well. The section that appears to be flat is actually about 10-20 feet wide and is the crest of the mountain. The road takes up a good bit of that width. I am simply looking for a place to camp and have no intentions of building a home. The CCRs for this neighborhood only prohibit mobile homes and junk yards.

I hope my arguments have made sense and will carry some weight as you consider my offer. Thank you in advance for your time.

Regards,

Don Lawrimore
